

FREIGHT SYSTEM

About Company

We are a neutral NVOCC offering International Logistics services by integrating varied service segments. We are Head Quartered in Mumbai, the financial capital of India.

Avant specializes in LCL and FCL Ocean Freight. With a team that has decades of cumulative experience, we have been able to meet our customers' expectations and more.

At Avant, we continuously upgrade our Information Technology and ensure skill development through our HR practices. This ensures that the customer always gets the best of the services. We believe that the customer at all points of service should experience "SEA" while doing business with us. Safety of their cargo, Excellence in service and Affordability of logistics costs thus become our core values.

shipping big
stuff looks easy*”

Mission

At Avant Freight, our mission is to redefine the logistics industry by delivering innovative, efficient, and reliable supply chain solutions.

Committed to excellence, we strive to exceed the expectations of our clients by seamlessly integrating cutting-edge technology, personalized service, and a global network of partners.

Vision

Our vision is to be the premier choice for global freight management, known for our unwavering commitment to innovation, reliability, and environmental stewardship.

Through strategic partnerships and the continual embrace of technological advancements, we aim to create a dynamic and interconnected logistics ecosystem that transcends borders and propels our clients towards unprecedented success.

Why Choose us?

When it comes to selecting a logistics partner for your business, making the right choice is crucial. At Avant Freight, we understand the unique demands of the logistics industry and offer a compelling array of reasons why you should choose us as your preferred logistics company.

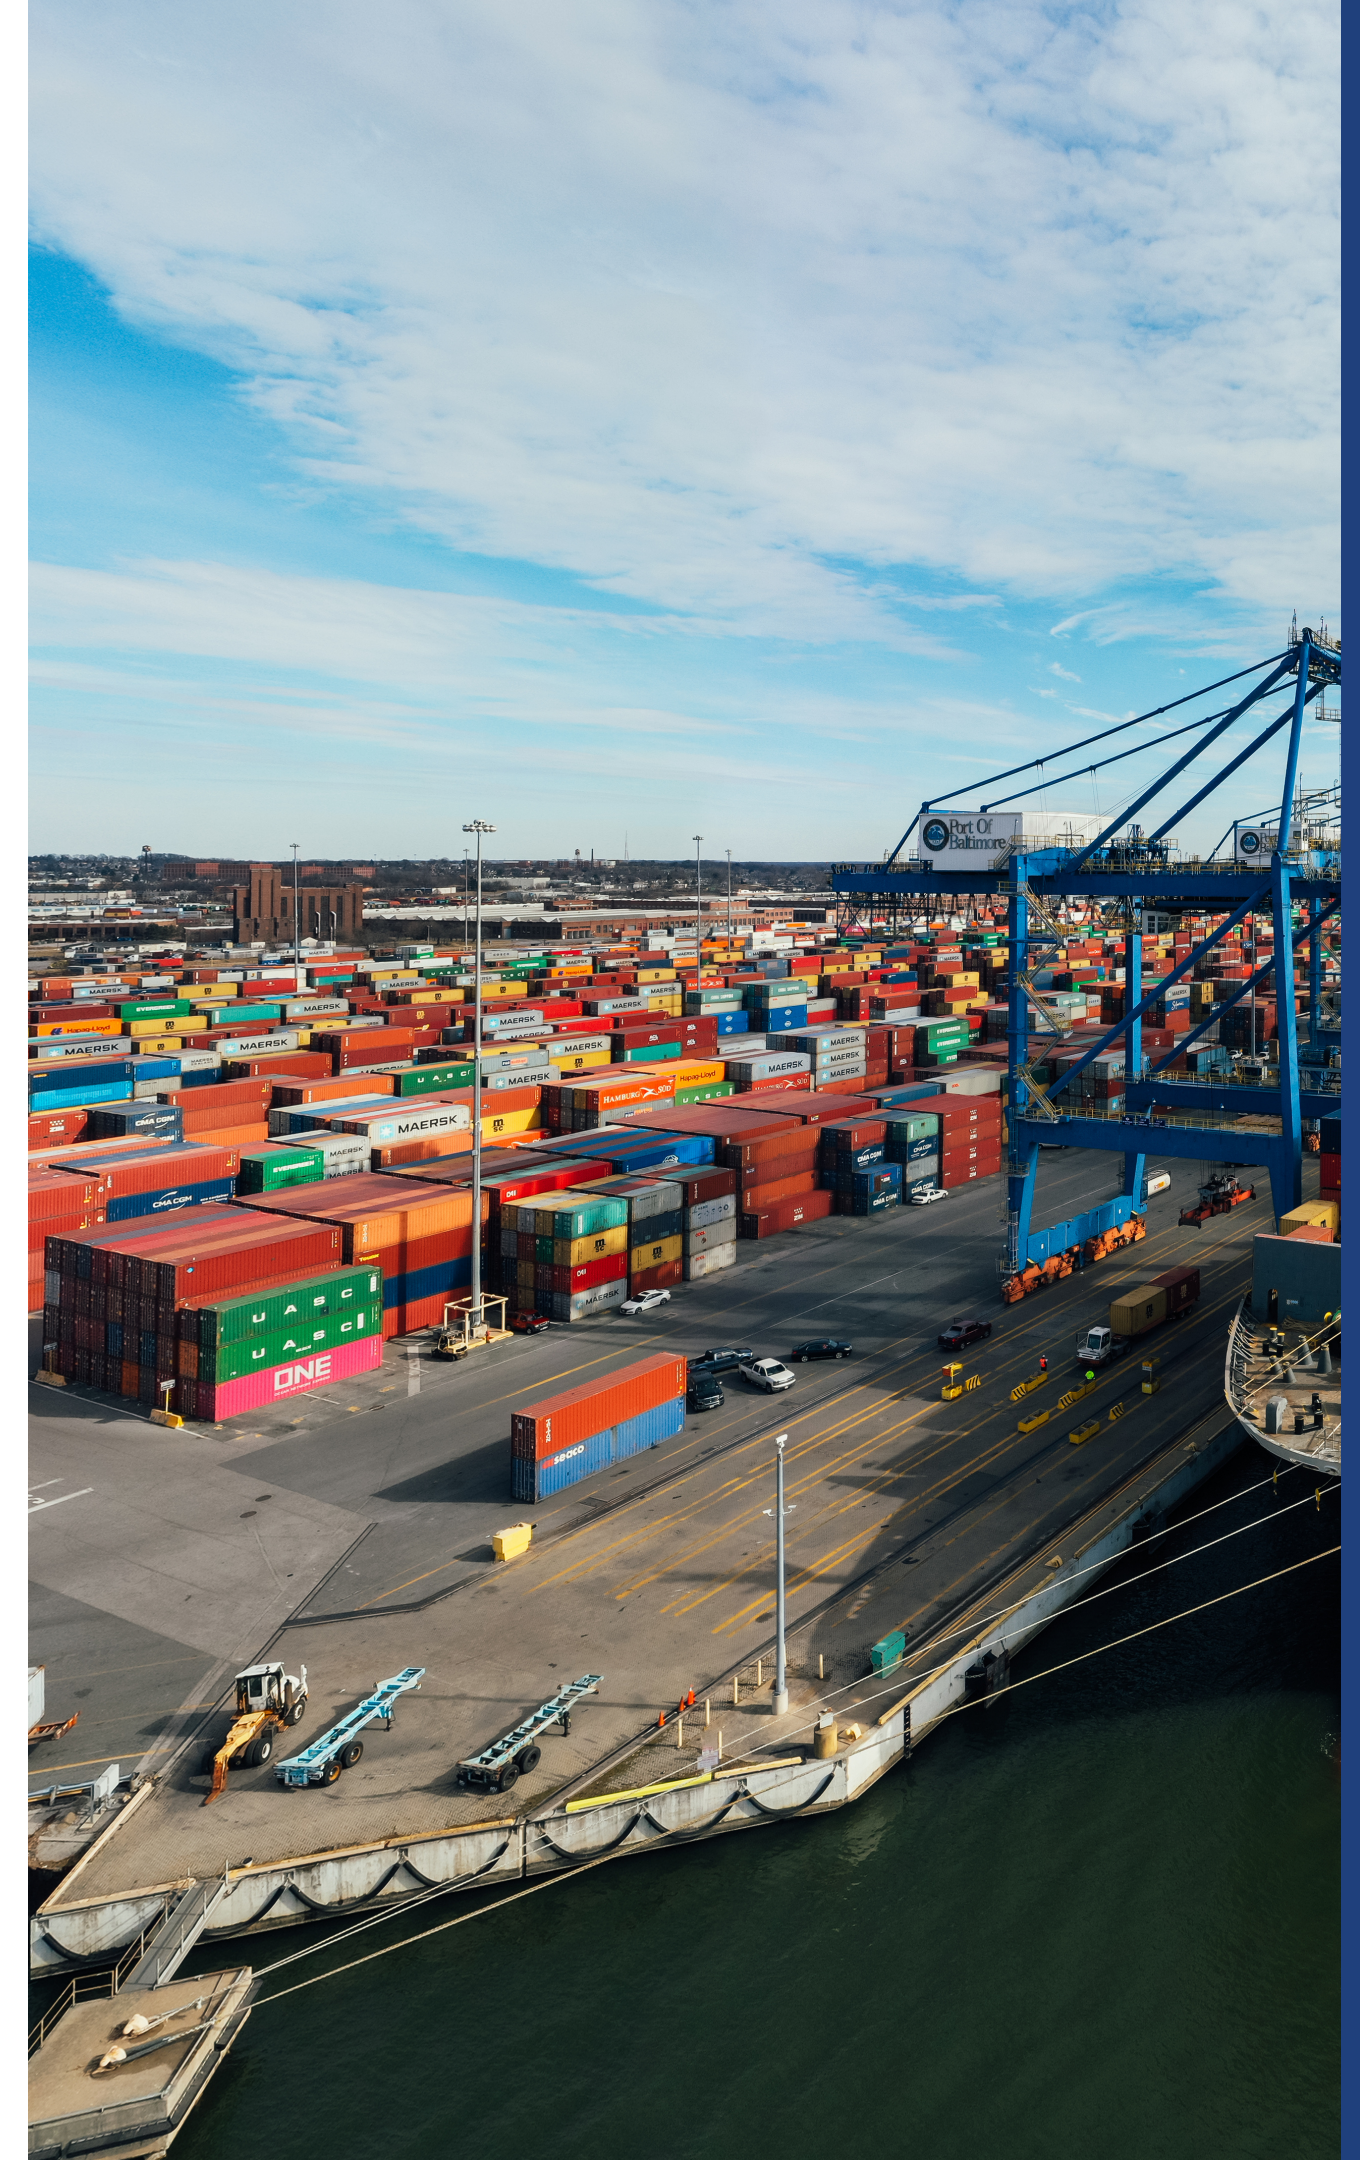

With years of experience in the industry, our team has a deep understanding of the logistics landscape. Our experts are well-versed in industry best practices, ensuring your cargo is handled with care and precision.

We believe that quality logistics services shouldn't come at an exorbitant price. Our cost-effective solutions are designed to enhance your bottom line while maintaining the highest standards of service.

Your satisfaction is our top priority. Our dedicated customer service team is available around the clock to address your inquiries and concerns, ensuring a smooth and transparent experience.

Service Detail

We provide **Import LCL Consolidation** service from major trade routes. Our LCL Import Consolidation service provides weekly and sometimes twice-weekly sailings from Singapore, Shanghai, Hamburg, Tianjin, Shenzhen, Hong Kong, Taiwan, Korea etc.

Managing international logistics can be very complex. At AVANT, our team of specialists can help you to ensure that your supply chain runs seamlessly.

We maintain a policy of “no cargo too small, no cargo too big”. At Avant, you can access our **pan-India transportation services** with ease. We not only provide transportation for international goods but provide domestic intra state connectivity too.

Safety First, is not only a policy but our motto too. **Handling hazardous cargo** has its own challenges and limitations. With our in-depth knowledge, we overcome these challenges by also making safety our top priority. Under the HAZ LCL program, we ensure that only compatible classes are stored together.

As an international logistics service provider, it is imperative that we provide customers with Safe and Secure storage space. Our partnerships with carefully vetted private **warehouses** and customs bonded warehouses provide peace of mind to our customers.

OUR SEAFREIGHT PARTNERS

We're here to make your global ocean freight move around the world with ease. Optimize your ocean shipping by accessing more capacity and competitive rates through our major ocean shipping alliances.

- Secure capacity even in tight markets, with a leading forwarder of ocean freight from China to the U.S. in the Transpacific Eastbound (TPEB) trade lane.
- Plan for fluctuating market demand and stay agile. Trust our ocean freight experts who will troubleshoot in real time, across time zones.
- Reduce your need for multiple providers with our global suite of services—from ocean, air, and customs to surface transportation.

Meet deadlines and customer expectations with fast, reliable air freight services—including same day, airport to airport delivery—at all major hubs around the world.

- Keep your air freight moving consistently with daily departure schedules through our global carrier management program.
- Secure the space and scheduling you need—via cargo or passenger plane—through our carrier relationships.
- Find efficient, cost effective transportation strategies by working with our dedicated experts who oversee and optimize your entire logistics portfolio.

Client Testimonial

Presenting testimonies highlight some of the positive experiences clients have had with our logistics company.

Mr. Aspreet Singh

We've been using Avant for our logistics needs, and we couldn't be happier. Their reliability and on-time deliveries have significantly improved our supply chain efficiency.

Ms. Mansi Mehta

Impressed with the personalized service we received from Avant. They tailored their logistics solutions to fit our unique requirements, which made a significant difference for our business.

Mr. Tirth Joshi

Safety and security are paramount in our industry, and we found Avant to be exceptional in this regard. Our cargo has always been in safe hands with them.
